

Save 10%-85% on Prescription Costs With Your FREE Discount Prescription Drug Card!

The Discount Prescription Drug Card provides you with discounts on prescription drugs at more than 58,000 participating pharmacies. You can save 10% to 85% immediately on the cost of both brand-name and generic drugs.

Be sure to use the Pharmacy Locator and Medication Pricing tools at www.rxwellcard.com to find the pharmacies closest to you, as well as those that offer the lowest prices for your medication.

- No cost to sign up
- No obligations
- No limits on number of prescriptions
- Can be used by your family and friends

To receive discounts on your prescriptions:

- Print this page
- Print your name & member ID on the card above, using the fields provided
- Clip out the card
- Present the card, along with your prescription, at a participating pharmacy
