## Family of the Year — Nominate Your Family today!

Does your family have the WKU Spirit? Have they made a significant difference in your life? Here's your chance to give recognition to that special person. The Parents' Advisory Council invites students to nominate their family for recognition during the Parent and Family Weekend festivities. To be considered, we ask students to fill out the Nomination Form located at [www.wku.edu/pfw](http://www.wku.edu/pfw) or e-mail Amy Miller at [amy.miller@wku.edu](mailto:amy.miller@wku.edu) to request a nomination form. The winning family will receive a scholarship for the nominating student, items from The WKU Store, tickets to the Parent and Family Weekend football game, lodging, a dinner and special recognition at the Parent and Family Weekend football game.
