Welcome to California University!

From Interim President Geraldine M. Jones:

Welcome to California University!

I am pleased that your family has chosen to join our Cal U community. The transition from high school to college can be exciting — and a bit confusing, too. Like your child, you may have questions about University procedures and campus life. This guide will introduce you to a variety of helpful resources, so you can continue to be a dependable source of information and support for your new Cal U student.

California University is committed to helping students achieve success, and I encourage you to remain an active partner in this endeavor. Your support and encouragement will play an important role in your child’s higher education.

I hope you will visit our beautiful campus often. In addition to family-oriented activities, Cal U presents a wide variety of educational, cultural, athletic and entertainment events throughout the year. As a Cal U family member, you are most welcome to attend.

I wish your family the very best,

Geraldine M. Jones

Interim President, California University of Pennsylvania
Resources for Academic Success

Student Retention and Success
From orientation to graduation, the department of Student Retention and Success provides students with the learning resources they need to achieve both their personal and academic goals. The friendly staff offers academic consultation for undecided majors, serves those in need of improving academic skills, runs the Support for Success program, coordinates scheduling and placement testing, and offers other programs to help all students achieve success.

Scheduling Center
The Scheduling Center is “home” to the Student Success Facilitators. Student Success Facilitators assist students with course scheduling needs and provide information on academic procedures and policies, general education and major requirements. They also counsel students who are still exploring majors.

Placement Testing Center
Appropriate course placement is important to your student’s success. Depending on SAT and or ACT scores, freshmen and transfer students may take placement tests in mathematics and writing. Students who do not achieve predetermined scores on these tests must enroll in applicable developmental courses. Placement testing for new students and retesting for current students is offered throughout the year through the Placement Testing Center.

Academic Assistance Services
Even the best students may need academic help at some time during college. The Writing Center, Math Lab, Reading Clinic, and Tutoring Center offer no-cost assistance designed to help students perform at their academic best. Trained peer tutors assist students in most curriculum areas. Additional assistance is provided in certain courses through the peer-led undergraduate study (PLUS) program.

Four-Year Graduation Plan
Cal U understands that the cost of a college education is an important issue for families. Our Four-Year Graduation Plan offers incoming freshmen guaranteed savings in time and money as they work toward the completion of their baccalaureate degree. The no-cost program provides students with a unique combination of advising, priority course scheduling and individual attention, ensuring efficient and steady progress toward graduation in four years. Students eligible for the no-cost program will receive a letter of invitation and enrollment form from the Office of Student Retention and Success. Interested students must enroll no later than the second week of their first (Fall) semester. The Four-Year Graduation Plan reinforces Cal U’s commitment to the success of our students.

Peer Mentoring Center
Peer mentors are upper-class students who volunteer to assist new students with the adjustment to college by offering guidance, encouragement, and friendship. Peer mentors know a great deal about academic and campus life, such as campus resources, student organizations, intramural sports, or even the best places to eat or shop. Having a peer mentor gives new students an edge. Over the past 10 years, Cal U freshmen with a peer mentor have returned for their sophomore year at a 10-13 percent higher rate than freshmen without peer mentors. Students can apply for a peer mentor online. Visit www.calu.edu, keyword “protégé application.”

It’s never too early for your student to begin gaining a Career Advantage. Students who enroll and actively participate in the Career Advantage Program (CAP) beginning in their freshman year typically graduate in four years, saving time and money.

The caring and professional staff can help your student to:

- Choose a major and explore career options
- Gain hands-on experience through Cooperative Education, paid career-related experience
- Prepare for a job search or graduate school program, including resume and portfolio development, interviewing skills, and learning how to conduct a successful job search
- Connect with employers and Cal U graduates through job fairs, online job postings, and networking events
- Transition from college to work after graduation through our lifelong career services for alumni

Every student has his or her own Career Adviser, who will guide your student through each step of the Career Advantage Program. Students can enroll in CAP by completing the enrollment form at [www.calu.edu/careers](http://www.calu.edu/careers) under the Career Advantage link.

The Internship Center
An internship experience improves a student’s chances of landing a full-time job after graduation. Internship opportunities allow students to test-drive careers, hone professional skills, build resumes, network, and gain an edge in the job market. The Internship Center is the central resource for exploring the internship process and finding one that fits a student’s major perfectly. Traditionally juniors or seniors earn college credit for their internship experiences.

Cal U students participate in internships locally, across the country, and around the world. Sponsor organizations have included the Pittsburgh Steelers, the Allegheny County Medical Examiner’s Office, Fort Necessity National Battlefield, and the U.S. Marshals Service, among thousands of others. California University also partners with The Washington Center for Internships and Academic Seminars in Washington, D.C., which places interns in agencies such as Interpol, the Drug Enforcement Administration and the Environmental Protection Agency.

Money Matters

Bursar's Office
The Office of the Bursar handles billing for student tuition accounts. Cal U makes it convenient for students, parents or other authorized users to stay on top of financial matters. Students have 24/7 access to electronic bills through the Vulcan Information Portal (VIP). The billing system offers a printable official monthly e-bill, e-mail notification when a bill becomes available, online payment confirmation, and timely reminders of important due dates. Students may designate parents or guardians as authorized users. For instructions visit the Cal U Parent/Family Portal http://www.calu.edu/familiesparents/portal/index.htm and see “Pay Your Student’s Bill.”

Financial Aid Office
Your student’s education is one of the most important investments your family will ever make, but paying for college can seem overwhelming. The Financial Aid Office is here to help. Financial aid is designed to supplement your family’s resources so that your student will be able to fulfill the dream of a college education. For Cal U Financial Aid Application Steps and additional information, please visit the Cal U website at www.calu.edu/finaid.

CalCard Office
Your student’s CalCard is much more than just a campus ID card. The CalCard gives your student an easy payment method for a host of campus offerings. Students can use the CalCard for access to campus events; purchases at on-campus dining locations, vending machines, library copy machines, residence hall laundry facilities, and the University Bookstore; and even complimentary rides on the Mid Mon Valley Transit Authority bus routes. Parents or other guest users can deposit money to a student’s CalCard Shop Dollar account quickly and conveniently through the Parent/Family Portal at any time. The CalCard Office is located at the Information Desk, on the lower level of the Natali Student Center. Students can access their CalCard eAccount directly, or parents and family can use the guest deposit feature, at https://calcard.blackboard.com.

Banking/Financial Services
On-campus financial services are offered to students through the Pennsylvania State Employees Credit Union (PSECU) in conjunction with the CalCard. Students can elect to have their CalCard activated for use as an ATM/debit card associated with their account. ATMs are located at the Natali Student Center and at the Vulcan Village apartments.

Privacy Information and FERPA

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects college students’ privacy and grants them the exclusive right to view and share their education records such as grades, transcripts, financial aid, billing information, and class schedules. Under the law, colleges and universities may not disclose education records to anyone other than the student without consent. California University has created the Cal U Parent/Guest Portal, a secure online solution that enables students to make choices regarding access to such information.

Students will receive instructions for creating a parent/guest account. Once an account has been created, parents or guests will receive further instructions for accessing the Parent/Guest Portal. Because students’ rights are protected under FERPA, a student may restrict the information that a parent or guest is able to access, and the student may revoke access at any time.

For more information about FERPA and California University’s disclosure policies, please visit: [http://www.calu.edu/current-students/records/ferpa/index.htm](http://www.calu.edu/current-students/records/ferpa/index.htm)

Health & Safety

Student Health Center
The Student Health Center is staffed by a medical director, a nurse supervisor, a certified registered nurse practitioner, and registered nurses. Services are free of charge to all students and include medical treatment, referrals, and healthy lifestyle education. Required services outside the capabilities of the Health Center are available through the student’s private health insurance.

Nurses’ hours: 24 hours a day

Counseling Center
The Counseling Center provides free, confidential services that are in keeping with laws governing the provision of psychological services to adults. The center is staffed by faculty who are licensed professional counselors and psychologists. Counseling is intended to help students overcome personal issues and stressful situations such as:

- Relationship distress
- Academic difficulties
- Anxiety
- Depression
- Alcohol and or drug abuse
- Trauma

Services during regular business hours include individual counseling (up to 8 sessions a semester), assessments, referrals and crisis intervention. After-hours crisis support is available from Public Safety or the Health Center. Consultation is available with the appropriate Counseling Center Release of Information that permits disclosure of client information.

Safety
California University is committed to the safety and security of all students, staff, faculty, and visitors. Campus police officers conduct foot and vehicle patrols on a 24-hour basis, providing around-the-clock assistance. Students can make reports by going to the nearest on-campus phone and dialing H-E-L-P (4357), or dialing 9-1-1 on any campus phone.

If serious issues affecting public safety should arise, known facts will be communicated immediately. Information will be released through a variety of channels, such as the Cal U website, campus e-mail, Cal U Text Alerts, and the University hotline.

Cal U Text Alerts
Cal U Text Alerts is a cellphone text-message system that provides notification of emergency situations that may affect the campus community. Students can register for Cal U Text Alerts; a “quick link” can be found on the University’s homepage, www.calu.edu.

Once a student has registered for Cal U Text Alerts, he or she may choose to add a second cellphone number. Accounts are active for one year only; students are reminded to re-register each year.

University Housing
Campus living provides students with enhanced opportunities to engage with other students, develop new friendships, and enjoy a strong sense of community. Incoming freshmen are required to reside in University Housing for the first four semesters of their academic career at Cal U.

New students will receive their hall assignments and roommate information beginning mid-July through August. Cal U offers living arrangements based on individual lifestyle preferences, including a variety of room configurations for one to four roommates or suitemates. There are six main-campus residence halls. Each hall is equipped with a computer lab, community room, large-screen TV and DVD player, full kitchen, game area, and vending machines.

Vulcan Village is Cal U’s upper-campus apartment community, located next to Adamson Stadium and Roadman Park, just 1.5 miles from main campus.

Vulcan Village includes a live-in, full-time director, assistant director, and student community assistants (CAs). The staff hosts regular educational and social activities throughout the year. Additionally, students can apply to join a new Vulcan Village Leadership Living-Learning Community, planned to begin in fall 2013. You can learn more about the Leadership Living-Learning Community at http://www.vulcanvillageleaders.com.

Dining Services
The University provides a variety of dining options, from sit-down service to on-the-go meals and snacks at a various retail outlets. All students who live in University residence halls must participate in a meal plan program. Vulcan Village residents and commuter students have the option of choosing a meal plan that suits their individual needs.

More information on meal plans can be found at: http://www.calu.edu/current-students/housing/dining/meal-plans/index.htm
Activities & Events

Student Activities and Leadership

Clubs and Organizations
Cal U students are encouraged to get involved and put their leadership skills into practice. The University offers more than 100 clubs and organizations devoted to academic interests, the arts, campus communities, communications, faith and religion, politics, volunteering, sports and recreation, and more. Leadership training is available to every student. Cal U offers plenty of real-life opportunities to put leadership skills into practice, such as Cal U Student Government, Welcome Center Student Ambassadors, and residence hall Community Assistants.

Emerging Leaders Program
Freshman and sophomore students can apply to the competitive Emerging Leaders program in the fall, which equips potential student leaders with skills in public speaking, team building, goal setting, and conflict resolution. It is designed to foster ethical leadership and problem solving skills necessary for real-life leadership situations and cross-cultural issues.

For more information, email dunn@calu.edu

Student Orientation
Held the weekend before semester classes begin, New-Student Orientation helps first-semester students acclimate to the Cal U community. Plenty of fun activities give freshmen opportunities to meet new friends and learn about the University’s mission, history, and traditions. Trained upperclassmen facilitate sessions devoted to important topics such as time management and personal finance. Freshmen also experience New Student Convocation, the University’s official academic welcome ceremony. It’s all part of Cal U for Life, helping students make a difference, all while learning to make the most of the lifetime opportunities that Cal U offers. Backed by an entire community dedicated to building character and building careers, your student will discover his or her unique place at Cal U!

New Student Move-In Day
Move-In Day is always exciting as we welcome our new students and their families to campus! Be sure to step away from the unpacking and join us for a free Move-In Day Picnic in the Convocation Center. Relax with your student, enjoy some good food, and meet other parents and families. Information from various University departments will be available at the picnic to answer your last-minute questions. Move-In Day will be Friday, August 23, 2013.

Family Day
New students especially enjoy showing off their “home away from home.” So mark your calendars now for September 14, Family Day 2013! Experience Cal U and join your student for a day of family fun and memories.
Parent Resources and Involvement

In some ways, when children go off to college, their parents and families do, too. Cal U gives you the resources you need to stay involved with your child’s education, while recognizing your student’s growing independence. Whether you live 10 minutes from campus or 10 hours away, staying “in the know” is easy. We encourage you to take part in the Cal U experience.

Parent/Family Portal
The Portal is a special part of the University’s website dedicated solely to the needs of families. Parents will find timely information, key dates and deadlines, campus resources and events, and answers to frequently asked questions. To access the Parent/Family Portal, visit www.calu.edu/families-parents, or select Parents & Families from the drop-down menu titled “Information For” at the top of the Cal U homepage, www.calu.edu. Be sure to check out more important information for new parents by clicking the “New Parents” tab on the Parent/Family Portal.

Cal U Compass
The Cal U Compass is a no-cost parent e-news publication. It provides timely information and tips for enhancing your student’s academic achievement and overall enjoyment of college life. You’ll also find links to additional University resources. Subscribe conveniently online at http://www.calu.edu/families-parents/portal/e-news-archive/subscribe/index.aspx or e-mail family@calu.edu.

Parent Program
The Parent Program offers opportunities to participate in events and activities on and off campus, such as Parents Leadership Council, Careers Services partnerships, Alumni and Friends events, and Senior Gift Drive Parent Match.
Parent Leadership Council
The Parent Leadership Council includes parents of current and former students. PLC members serve as volunteer ambassadors who gathering for events and contribute their support by connecting with other parents, alumni, students, and Cal U representatives.

Legacy for Life
The University has a proud history of families who have shared the Cal U experience through the generations. Students from “legacy families” have a parent, grandparent, uncle or aunt who graduated from Cal U. We invite you to take part in our Homecoming events, family weekends, and alumni events on campus and in your region.

Stay in Touch With Your Student

Student E-mail
The format for a Cal U student e-mail address is abc1234@calu.edu – typically, the first three letters of the student’s last name, plus four random numerals. For example, Jane Doe’s e-mail address might be doej1234@calu.edu.

Send Mail
To ensure a speedy campus delivery, please address postal mail to your student like this:

Student’s Proper Name (no nicknames)
Building and Room Number
Box Number
California University of PA
250 University Avenue
California, PA 15419

For students living in Vulcan Village:
Vulcan Village
Student’s Proper Name (no nicknames)
Apartment #
255 California Road
Brownsville, PA 15417

The Cal U mailroom is located on the first floor of Dixon Hall. The mail counter is open from 8 a.m. - 4 p.m. Monday through Friday. When residence hall students receive a package, they are notified with a “Package Slip.” It is their responsibility to pick up the package within a reasonable time. Students must bring the “Package Slip” and a campus photo ID to the mailroom in order to collect their package.

Celebrate
It’s easy to say “I’m thinking of you” by sending your student a Fresh from Home Package of delicious treats for holidays, birthday, exam time, or no special reason at all! Visit the Parent/Family Portal http://www.calu.edu/families-parents/portal/index.htm and select the link “Send Your Student a Fresh from Home Package,” or call (724) 938-1602.

What’s Happening on Campus?
