About this Guide
UniversityParent has published this guide in partnership with the Student Assistant Office at Anschutz Medical Campus with the mission of helping you easily navigate your student's university with the most timely and relevant information available.

Make the Most of this Guide
- **Use it!** Inside you'll find information that's useful all year with items such as phone numbers, websites, and calendars.
- **Share it!** Share articles and tips inside with your student to help them successfully navigate campus.
- **Pass it!** Pass it along to fellow university parents or prospective parents of college students.

Discover more articles, tips and local business information by visiting the online guide at: [www.universityparent/ucamc](http://www.universityparent/ucamc)

The presence of university/college logos and marks in this guide does not mean the school endorses the products or services offered by advertisers in this guide.

@2013 University Parent Magazines, Inc.
Welcome!

Dear University of Colorado Anschutz Medical Campus Family:

Welcome to the University of Colorado Anschutz Medical Campus!

Our new state-of-the-art education, research and patient care facilities offer students unparalleled training in health professions and basic sciences research. We encourage students to take full advantage of the vast learning and professional growth opportunities on campus.

This family guide is intended to provide you with a variety of resources, amenities and information about the campus and surrounding communities. Included in this guide are a variety of university services and staff that are prepared to answer any questions you may have and direct you to valuable resources and available support. This guide is also available on the Office of Campus Student Services website, so all links are “live” and you can access information quickly.

On behalf of the University of Colorado Anschutz Medical Campus, I thank you for choosing the Anschutz Medical Campus and invite you to join us in this educational experience.

Wishing you great success.

Raul Cardenas, PhD
Associate Vice Chancellor for Student Affairs
Welcome from the Office of Campus Student Services at the Anschutz Medical Campus

The OCSS is the ‘central’ student services office that offers a wide variety of student life and student success programs for all degree-seeking students.

Students in the Colorado School of Public Health, Schools of Dental Medicine, Graduate Basic Sciences, Medicine, Pharmacy and the College of Nursing as well as the Child Health Association/Physician Assistant and Physical Associate Therapy programs all may receive assistance through this office. If we don’t house a particular service your student needs, we know who does!

This handbook offers a quick snapshot of services that those who are attached to a student may find useful to know about – we want to help your student make a smooth transition to life at this rigorous graduate and professional campus! If you would like to receive this information electronically, send us an email. The electronic version will have live links to the websites and email addresses included in this document.

The Office of Campus Student Services is located in Ed II North, on the 3rd floor.

Our administrative assistant is who you will interact with at our big front desk in 3123 – the Student Services Suite.

Our Coordinator Lia Nelson-James is nearby in 3204 and our Director Cheryl Gibson is in 3101 just down the hallway. Whatever you need, stop by and visit with one of us. We’ll be able to get you situated on the right path whether you’re visiting with a student, or are now one of our own, we hope you enjoy your time here!

Cheryl A. Gibson, Director
(303) 724-7684 Cheryl.
email: Gibson@ucdenver.edu

Lia Nelson-James, Coordinator
(303) 724-2866
email: Lia.Nelson-James@ucdenver.edu

Administrative Assistant
(303) 724-2866
website: www.ucdenver.edu/campusstudentservices
email: campusstudentservices.amc@ucdenver.edu

Quick Tip!

There are a lot of email addresses and websites in this handbook – it takes just a minute to add these to your “favorites” or contacts in your electronic gear – make your contacts make sense – i.e. lockers vs. Educational Support, or find classroom vs. Educational Support.

Do this BEFORE you begin to have a lot of questions that are program specific; the information in this handbook and in the Student Life Handbook (which is located on the Office of Campus Student Services website) is provided by the central administration that offers student services to all students at the AMC.

Enter in several of these website and email addresses so you can function without trying to remember where all the good information is!
Health Sciences Library

The Health Sciences Library is the largest biomedical research library in Colorado.

The building is very user friendly with ample natural light, a café, a gallery, outdoor patios, thirty group study rooms, and plenty of comfortable study areas. Wireless access is available throughout the building as well as 50 workstations. Most of the library’s resources are available online and can be accessed by eligible users from any computer on the Internet. The Health Sciences Library provides online access to over 30,000 journals and hundreds of databases. Librarians can meet with users one on one, in classes, online or via the phone to assist with their information needs.

Student Services Suite

We pack a lot of service into one wing of Ed II North. The Student Services Suite, which is located in 3123 of Ed II North (and has STUDENT SERVICES in large lettering above our front seating area) includes:

- **Bursar/Cashier services Hours:** Monday through Friday, 8:30 a.m. – 4:30 p.m.
- **Financial Aid Hours:** Drop off paperwork 6 a.m. - 6 p.m. in lockbox at the big front desk.
- **Counseling Hours:** M, W, F, 8 a.m. - 3 p.m. Tuesdays and Thursdays: 8 a.m. - 1 p.m.
- **AMC Office of Diversity and Inclusion Hours:** Monday through Friday, 8 a.m. - 5 p.m.
- **Registrar Hours:** Monday through Friday, 8 a.m. - 5 p.m.

**Quick Tip!**

Much of a student’s information about their academic progress, financial situation, health issues, etc., are protected by a variety of privacy rules, regulations, and or the law.

In these cases, family members and significant others cannot access this information, and staff and administrators at the campus will not discuss this information with anyone except the student who owns the information.

Office of Campus Student Services Hours:
Monday through Friday, 8 a.m. - 5:30 p.m.

Student Health Insurance Office Hours:
Monday through Friday,
7:30 a.m. - 3:30 p.m.

When your student needs assistance from one of the areas listed above, they should start by checking in with the front desk.
Tobacco and Smoke Free Campus!

The Anschutz Campus is Tobacco and Smoke Free.

The policy can be viewed at: http://www.ucdenver.edu/faculty_staff/Tobacco/Documents/AMC%20Tobacco-Free%20Policy.pdf

Policy: All persons on the Anschutz Medical Campus are prohibited from smoking products including, but not limited to, cigars, cigarettes, pipes or any device or material which is lighted and inhaled. Smokeless tobacco products such as chewing tobacco or snuff are also prohibited.

Implementation: Individuals observed smoking or using tobacco products on the campus will be informed of the policy and asked to stop. Continued violation of the policy may result in disciplinary action, according to processes specific to faculty, staff and students.

Housing Information

The University’s housing website, which lists current vacancies in the Denver-Metro area (including Aurora) is held offline and available by request by emailing campusstudentservices.amc@ucdenver.edu Landlords are responsible for updating their vacancy information on a regular basis. Some rental property information is posted on bulletin boards in the Student Services suite in Ed II North (room 3123).

Roommate Information is also available by email or by picking up current lists from the Office of Campus Student Services – feel free to email campusstudentservices.amc@ucdenver.edu directly. After we are able to confirm that your student is an incoming or current student, we’ll release the roommate information to them. The Roommate information is held off-line. We list only Anschutz Medical Campus students on our roommate lists, and disseminate the lists only to Anschutz Medical Campus students.

How Students Receive Information from Campus

Students receive information from campus via post when original documents are necessary. A very LARGE portion of communication is in the form of email – a student must check their University email (firstname.lastname@ucdenver.edu) often. The University will NOT email students using the student’s alternative email address – all email notification from Financial Aid, Registrar, etc. will go to the @ucdenver.edu email address.

Several lists exist by which activities, safety alerts, other information is sent in a broadcast fashion. Students may unsubscribe from some of these lists, but not others.

The Campus Emergency Alert system will automatically enroll every new student using their @ucdenver.edu email address. Students may opt out of these notifications – instructions on how to opt out, add or change notification media can be found on the University Police website at www.ucdenver.edu/police (use the “Alerts” tab). Students may choose several media by which to receive information (cell phone, other email addresses, text messaging). Browse through the University Police website for more information on emergency preparedness, self-defense, and more!

Campus Closure Information: in the event of severe weather or other events that may require campus closure, log in to www.ucdenver.edu/alert or call (877) INFO-070 (or (877) 463-6070).
Bus Pass Information
The RTD College Pass is available to all active (enrolled) AMC degree seeking students.

This fee may increase (per the referendum passed in November 2008) each year, up to a maximum of $60 per semester before going back to the students to be re-approved by another referendum.

The College Pass for AMC includes ALL regional, local, express, LightRail, SkyRide and Call-N-Ride services – all these are included FREE – no additional charge beyond the College Pass fee. Services NOT included are the special services such as Access-A-Ride and the sports rides.

For new students, the College Pass will be distributed by the Badging/Security Office during matriculation/orientation. Students will be scheduled for their student ID Pictures, and the RTD College Pass ID will be prepared and distributed at the same time. New students cannot get a pass before they arrive for classes on campus. Online students who live within the RTD Service District may request their pass be mailed.

The Smart Card College Pass will continue to be usable until the student graduates. No ‘stickers’ are needed to keep the pass active. Announcements will be sent via email with instructions on picking up the College Pass ID.

Some students may be able to waive the RTD College Pass fee if they meet specific criteria. Please see the Waiver Request form that is located on the Office of Campus Student Services website, and be sure to turn it in on or before the posted deadline. Late requests will not be considered.

Certificate and Non-degree seeking students are not eligible for the RTD College Pass.

Parking
The goal of the Parking and Transportation Office is to provide high quality, customer-oriented parking and transportation services by ensuring a safe and user-friendly system that operates at optimal efficiency.

We would like to provide you with some valuable details in regard to parking while on campus. We also encourage you to visit our office or website listed below.

Parking and Transportation Services Office
First Floor of Building 500 - West of the Bookstore and Food Court Seating Area

- Hours: Monday - Friday 7:30 a.m. – 4:30 p.m. (Offices are closed on weekends and Holidays)
- Phone number: (303) 724-2555
- Website: www.ucdenver.edu/parking

Transportation
Commonly Asked Parking and Transportation Questions

Your student may have several questions about Parking at the Anschutz Medical Campus – most of those are addressed here!

How much do I pay for parking?
Student parking is $36 per month. Short-term weekly parking is $10 per week.

How do I pay each month?
you can pay in the Parking Office each month by cash, credit card or check. You may pay your parking on line at the parking website.

Can I pay for more than one month at a time?
You can pay for one month, multiple months or a full semester. Monthly parking can be prorated for half of a month as well. The cutoff date is the 15th of the month.

What if I don’t want to sign up now but decide I want to a later date?
Parking can be arranged at anytime.

How do I cancel my parking?
you must notify the Parking Office in advance of your intent to cancel parking. If you do not notify the Parking Office you will continue to be billed.

Do I get a parking access card for my car?
Parking access is added to your Student ID. Upon entering the gate to the parking lot simply wave your ID a few inches away from the reader. The gate will open.

What if I have more than one vehicle that I will drive?
Notify the Parking Office of any additional vehicles. They will be added to your account.

What if my friend and I want to share parking?
Carpool parking is available. You must sign up for a carpool badge in the Parking Office. All carpool participants must be registered in the carpool. You will receive a carpool parking card. The parking access will not be on your ID Badge. The carpool card will allow for 24/7 access to all permit lots. Other carpool participants must present their ID in person at the Parking Office.

What do I do about parking if I forgot my ID Badge?
You should park in a visitor parking lot and notify the Parking Office immediately. They will verify your account and you will not be issued a citation that day.

I arrive later in the morning to campus - what if I cannot find a space?
There is more than adequate parking available on campus for the permit holders. However, sometimes the most desirable parking space may not be close your destination. The permit parking lots that will typically have available parking later in the mornings are Evergreen, Leadville and the Henderson Parking garage. In the worst case, if all parking is truly taken, and can be verified by parking staff, you may park in a visitor lot – however you must notify the Parking Office immediately to avoid being issued a ticket.

Are there any general guidelines to having permit parking?
Following a few of these simple parking rules and regulations will help to ensure you do not experience difficulties when entering or exiting the parking lots.

- Allow only one vehicle per card access into the parking lot. Following too close or “tailgating” into a parking lot behind another vehicle will cause in difficulties or delays upon trying to exit.
- If the gate will not open when you present your ID badge please do not try to push the gate open manually but rather park in a visitor lot and immediately notify the Parking Office of your dilemma. If you are already in the parking lot and trying to exit please call the Parking number posted at every exit.
- Use only the designated drive paths in and out of parking lots. Other methods could potentially damage landscape areas, curbs and sidewalks. 

What if I have more than one vehicle that I will drive?
Notify the Parking Office of any additional vehicles. They will be added to your account.

What if my friend and I want to share parking?
Carpool parking is available. You must sign up for a carpool badge in the Parking Office. All carpool participants must be registered in the carpool. You will receive a carpool parking card. The parking access will not be on your ID Badge. The carpool card will allow for 24/7 access to all permit lots. Other carpool participants must present their ID in person at the Parking Office.

AMC GUIDE

continued from pg. 15

▶ Park within the designated lines of the parking lot to help maximize the use of the parking spaces for everyone on campus.

▶ Aisle ways and rows are designed to allow a safe flow of traffic in and out of the parking lot. The widths also allow emergency vehicles when necessary. For these reasons, please do not park at the ends of rows or aisle ways.

▶ Your parking access is assigned to your ID badge only and is intended for your use exclusively.

▶ If you are ever unsure about a parking issue contact the Parking Office right away.

For additional information please see the Parking and Transportation website or contact the Manager of Parking and Transportation at Kerrie.Bathje@ucdenver.edu

Biking
Bike racks are available near the entrances to all major buildings on campus. Enclosed bike lockers are located on the ground floor of the Henderson Parking structure, and are available for daily use only, on a first-come, first-served basis.

Students are encouraged to register their bicycle with University Police – in the event of a theft this can help get your bike returned to YOU if it shows up in a pawn shop, found abandoned, etc.

Car Pool Information
You may post your information in the Parking and Transportation Office on bulletin boards on either campus. RTD also assists with Carpooling information on their website with RideArrangers www.RTD-Denver.com
A relatively new system for the Anschutz Medical Campus is http://zimride.ucdenver.edu This secure network uses your @ucdenver.edu email address to let you share your commute information with your colleagues.

It’s simple. Have a car? Add your ride offer and split the costs by driving with friends and colleagues. Don’t have a car? Add your ride request and find a ride. Just register for a free account and post where you’re coming from and when. Zimride will help you find others making similar trips.

Many people have flexible schedules. With Zimride you can even find someone for occasional carpools. Join Zimride today and start saving!

Parking for Persons Who Are Disabled
Each lot has parking spots designated for handicap access. Call the Parking Office at (303) 724-2555 for additional information.

Other Parking Options
Visitor and daily-pay lot maps can be found at www.ucdenver.edu/ABOUT/DEPARTMENTS/FACILITIESMANAGEMENT/PARKINGMAPS/Pages/ParkingMaps.aspx
Permit lots are also mapped at this site.

Night and Weekend Parking at the Anschutz Medical Campus
Students who work nights and weekends on the Anschutz Medical Campus, or have business at the campus after hours, have the option of free access to the gated parking lots if they did not already participate in the parking program (students paying for parking have 24/7 access to gated lots).

After Hours access begins at 6 PM and ends at 5:59 a.m. the following day. You may be ticketed if you enter a permitted lot at 5:59 a.m., and remain in the lot during regular business hours.

Those who do not pay for a parking permit and would like night and weekend access to the gated lots must still register in order to have their UCD ID badge activated to allow entry into the parking lots. There is a $10 charge to activate your Anschutz Medical Campus ID for this after-hours program. Please visit the Parking Office to fill out a registration form.

Please bring your Anschutz Medical Campus ID badge and complete description of your vehicle including license plate number when you register for any of the parking options listed above. ■
The Anschutz Medical Campus, while concerned with educational pursuits, is aware of varied student needs in other areas — including the area of health. The Student Health Insurance (SHI) Plan is designed to provide students with health care coverage offering a PPO accident and sickness health plan.

Please refer to the Student Health Insurance website [www.ucdenver.edu/amcstudenthealth](http://www.ucdenver.edu/amcstudenthealth) for complete information regarding the Student Health Insurance Plan.

The Student Health Insurance Office is located in room 3213 of the Student Services suite (3123 in Ed II North) (303) 724-7674.

If you have any questions about the AMC Student Health Insurance Plan, please feel free to contact the Manager of the Student Health Office, LaVerne Loechel at (303) 724-7674.

Mental Health/Counseling Services

A student’s health and well-being is a primary concern for all student affairs offices, as well as other offices which regularly interact with students.

If a student has been seeing a professional for counseling, or psychiatric care, it is important to find another provider right away so the student can continue to receive care. This can be done several ways:

▶ Students can ask their current provider for names of local providers – the student should then follow up and find out if the provider accepts the students’ selected medical insurance coverage.

▶ Students may make an appointment with the campus Student Mental Health Center. Providers there can assist in finding providers for students regardless of their selected insurance coverage. (303) 724-4716

▶ Students may visit the Student Health Insurance website for assistance in finding providers who accept the AMC Student Health Insurance plan.

Students who have selected other carriers will be assisted by referencing their carrier websites which often have “find-a-physician” search engines.

Quick Tip!

**Take Care of Those Relationships! Sooner than Later!**

Our students often arrive at the Anschutz Medical Campus with a significant other in their lives. It is often a BIG surprise to all parties just how busy students are while enrolled in their respective programs. Consider the student responsibilities at this campus as a full time job, with required overtime (nearly every day). Seriously – your student may spend all day in class, then need to stay late to meet with study groups or teams, etc. Relationships can be complicated, and need nurturing – we hope to help with counseling referral, activities which include families, and other resources to help not only with the transition to this campus, but throughout your student’s enrollment here.

Check with our Student Mental Health Services and or the Office of Campus Student Services for resources. Your school or program may have additional tips for success through school-specific student organizations, presenters, etc.
Get Involved!

We welcome students to get involved in student organizations, campus governance, the student academic communities, whatever they please!

Not only will they have fun, meet more students in their program and across campus, but they'll further their opportunities for professional development!

A great way to learn about many of the student organizations at AMC is to use the time at each program's orientation to check out the information provided there (check to make sure there is room for family members to attend — there may be additional events to which family members are invited specifically.

If that's not enough, your student may join Student Senate for its annual WELCOME events in the Fall — Senate provides a series of events that are geared to get the attention of all incoming and continuing students! Many Student Organizations attend this event to sign up new members and distribute information on their activities planned for the academic year. Program specific student organizations will present their information during orientation events near the start of the student's first term.

The Student Senate website www.ucdenver.edu/studentsenate has a 'master list' with descriptions and leadership of all student organizations at AMC. Student Senate is the campus-wide student governance group for the Anschutz Medical Campus.

Senate also lists Philanthropic and Outreach Opportunities Off Campus — reading programs for K-12 settings, tutoring, Habitat for Humanity events, Sports Saturdays at Paris Elementary, Paris Pals (pen pal club), etc. Check out the Philanthropy and Diversity pages of the Senate website.

Senate also has a Professional Development Assistance program — students who go to conference and other non-curricular learning and professional development events may request reimbursement of expenses up to $75 per academic year.

Each school or program has its own council as well, which interacts with the school or program-specific student organizations and interest groups. These are listed on the SAO website in the master list with their current leadership, as well as individually throughout the school and program websites.

Intramural Sports and Recreation

Yes, our students still have time to play! The Anschutz Medical Campus offers a variety of intramural sports, some in cooperation with the Denver Campus.

- Flag Football — commissioned by Anschutz Medical Campus students
- Basketball — co-ed, and men’s — commissioned through the Auraria Higher Education Center (Denver Campus)
- Volleyball — co-ed — commissioned through the Auraria Higher Education Center (Denver Campus)
- Softball — co-ed — commissioned through the Auraria Higher Education Center (Denver Campus)

Some students form teams to participate in city leagues (typically Denver and Aurora). Popular sports for our students include ice hockey, soccer, and ultimate Frisbee.
Here's a quick list of Student Organizations by program

**CHA/PA**
- PA Student Council
- Silver Society
- Graduate School
- Graduate Student Council
- Alternatives in Science
- Immunology Graduate Student Board

**Medical School**
- Medical Student Council
- All About Couples
- American Medical Students Association
- Anesthesia Interest Group
- Colorado Medical Society – Medical Student section
- Disability Dialogue
- Emergency Medicine Interest Group
- Family Medicine Interest Group
- Health Disparities Interest Group
- Internal Medicine Interest Group
- Medical Humanities Interest Group
- Medical Students for Choice
- Nutrition and Preventative Health Interest Group
- Ob/Gyn. Interest Group
- Oncology Interest Group
- Ortho Student Interest Group
- Pathology Interest Group
- Pediatric Interest Group

**Physicians for Human Rights**
- Spanish Acquisition Begets Enhanced Service (SABES)
- Students Interest Group in Neurology
- Student National Medical Association and National Network of Latin American Medical Students
- Surgical Society

**College of Nursing**
- Nursing Student Council
- CU Student Nurses Association

**Physical Therapy**
- Class Officers and Committees

**Public Health**
- CSPA Student Council

**School of Dental Medicine**
- Dental Student Council
- American Dental Education Association
- American Student Dental Association
- American Women’s Dental Association
- Alpha Omega
- Delta Sigma Delta
- Hispanic Dental Association
- Student National Dental Association

**School of Pharmacy**
- School of Pharmacy Student Council
- Academy of Managed Care Pharmacy
- American Association of Pharmaceutical Scientists
- American Pharmacists Association (APhA) - Academy of Students of Pharmacy
- American Society of Consultant Pharmacists
- Colorado Student Society of Health System Pharmacists
- International Society of Pharmacoeconomics and Outcomes Research (ISPOR)
- National Community Pharmacists Association
- Pharmacists for Christ
- Phi Delta Chi – Sigma Chapter
- Phi Lambda Sigma
- Rho Chi Alpha Theta Chapter
- Student National Pharmaceutical Association

**Interdisciplinary Student Organizations (3 or more programs participating)**
- Anschutz Medical Campus Student Senate
- Arrhythmias – a cappella singing

**BRANCH – Bridging Research and Aurora Neighborhoods for Community Health**
- Business and Health Care Special Interest Group
- Catholic Medical Association
- Cavity Free at Three
- Christian Health Fellowship CU Chapter of the IHI Open School
- Complementary Alternative Medicine Student Interest Group
- HANDDS – identifying High Arrest Neighborhoods to Decrease Disparities in Survival
- Latter Day Saints Student Association
- Medical Genetics Student Interest Group
- Students for Global Health
- Orchestra – Melomania
- PRISM (GLBTI)
- UCDenver Cycling Team (Club Sport – Division 2 UCCA)
- University of Colorado Oncology Group

Student Success!

We want students to be the best they’ve ever been during their tenure here! To help them reach their full potential, many services are available for their use.

Disability Resources and Services Office
The Disability Resources and Services Office (DRS) serves the needs of a large and diverse community of students with disabilities who attend the University of Colorado Denver (Denver Campus & Anschutz Medical Campus). The DRS staff has a strong commitment to equal access and oversees the provision of accommodations for students with disabilities. The DRS staff also works closely with faculty and staff in an advisory capacity assisting in the development of reasonable accommodations that allow students with disabilities to demonstrate their abilities.

For assistance and or information, please contact our office located in Building 500 of the Anschutz Medical Campus, Room W1103 (West wing of the first floor, Room 1103) or Phone: (303) 724-5640 Fax: (303) 724-5641 via email at Sherry.Holden@ucdenver.edu

Tutoring/Learning Assistance
Learning Assistance/Tutoring for the basic/biological science coursework is available through the Office of Campus Student Services located in Room 3101 in the Student Services suite of Ed II North (3123). If a student needs help, or can give help as a tutor, they should contact Cheryl Gibson, Director of the Office of Campus Student Services, at (303) 724-7684 or via email Cheryl.Gibson@ucdenver.edu

Tutoring is FREE for students struggling with content and or the ‘how to’ of getting through the depth and breadth of materials in the various professional curricula. If students merely wish to hire tutors for review work (alone, or with a study group!) they may use the tutors through the Office of Campus Student Services, but must pay them out of pocket. Currently, tutors earn $15 per hour for one-on-one tutoring, and $25 per hour for group review sessions.

Students may also contact their own program regarding the availability of program-specific tutoring for skills courses, additional enrichment programs (study skills, test taking strategies, etc.)
At the Anschutz Medical Campus there are many spaces dedicated for student use in RC I, Ed I and Ed II North and South.

Each community offers a physical space where students can pick up information on current events, student organizations, or just kick back and visit with other students. Students are invited to make coffee, store lunches in the refrigerators and kitchenette areas, and make any of the communities their place for relaxation and socialization throughout the day. Each space contains at least one microwave, refrigerator, sink and disposal, coffee makers, etc.

Each school, college or program has a community, where administration and students can post information regarding student organization events and information, professional updates, etc.

Fitzsimons
A PARTNERING CREDIT UNION
303-340-3343 | FitzsimonsCU.com

To become a member-partner at Fitzsimons Credit Union you must meet at least one of the following criteria: live, work, worship or attend school in Aurora, Watkins, Bennett, Strasburg or eastern Centennial; be active or retired military; be a family member of those who meet the above criteria; or you or a family member work for any of our Select Employer Groups (SEGs). A minimum opening share (savings) deposit of $5 and a one-time $5 new member fee is required. Offer can be modified or substituted at any time without notice. 1. To receive offer, open any new checking account and bring this ad with you. Offer is for new checking accounts only. A Visa Debit Card used for at least five (5) Visa Debit Card transactions per month for six (6) months. $50 will only be rewarded after Visa Debit Card has been used for at least (5) five transactions. Requirements must be met within 60 days of account opening. When all requirements are met, $50 gift will be deposited into your checking account. $50 is considered a bonus and may be reported on IRS Form 1099. Estimated value of bonus is $50. Fitzsimons Credit Union reserves the right to reclaim bonus if the checking account closes prior to six (6) months from opening. 2. Offer good for one (1) $25 bonus for new member and one (1) $25 bonus for referring member. $25 bonus will be deposited into savings account as dividend bonus and will be reported on IRS form 1099-INT. Minimum opening deposit is $5.

One-time $5 new member fee. New member must not have had a previous relationship with Fitzsimons Credit Union to receive offer. Certain restrictions may apply. Offer can be revoked at any time. Your savings federally insured to at least $250,000 and backed by the full faith and credit of the United States Government. National Credit Union Administration, a U.S. Government Agency.
